CURRENT ISSUES

CRP ATC visits (Students/Instructors/FITU)

Institutionalize the visits of students to CRP ATC. These visits will dramatically increase their situational awareness. Anyone desiring a visit to CRP ATC should call 299-4203/4205 to make arrangements. **(TW-4 Training FORAC)**

CURRENT ISSUES

TW-4 Hurrevac Contingency Update SEASON STARTS ~20 DAYS

If TRAWING 4 receives a flyaway order preceding an incoming hurricane or tropical storm, all flyable aircraft will depart shortly after the setting of Condition III and prior to Condition II. Approximately 100 aircraft will evacuate, at a rate of 20 per hour.
